Richa Industries Limited is also a member of Indian Green Building Council.

Economic Scenario

According to the Indian Economy the Financial Year 2013-2014 was very challenging one and the first half of 2013 was very slowdown and the GDP Growth rate was decrease but the Global Economic activity strengthen during the second half and is expected to improve further in 2014-15. As per the latest estimate, Indian Economy grew by 4.7% in the Financial Year 2014.

The Indian economy shows positive signs when there is improvement in external condition and a moderation in inflation numbers towards the end of the financial year and this improved the market sentiments.

Textile

Industry Overview

Textile Industry is one of the largest growing sectors of the economy and provides largest employment generation in the economy and contributes significantly to the country Industrial output and more of the exports were come from this industry and its also contributes in the GDP Growth rate of the economy.

Opportunities & Threats

Despite of the fact, this sector provides the largest employment generation of the Indian economy but the major challenge behind this industry is rising production costs, less subsidy grants available from the government and also of arising out of wages, power and interest costs.

On the other hand china and Bangladesh modernise his machinery and equipment and Bangladesh become one of the most exporters of the economy.

Risk & Concerns

Indian textile industry in India face many risk which were in the short term, will moderate growth Inflation, high interest rates, depreciating rupees, delays in policy initiatives to boost investments and capital flows.

India's textile industry also urgently needs to diversify beyond its traditional markets of the US and Europe to remain competitive in the wake of the global economic downturn.

Pre Engineered Buildings

Industry Overview

Pre-Engineered Building are growing with the demand of the consumers as it is environment friendly and less cost effective and provide better goods at lesser costs. Now, many of the Companies like DMRC, IOCL, and BSWC use the Pre-Engineered Building as their demand rises in the market. These are also used in warehouses, factories, workshops, offices, gas stations, vehicle parking sheds, gas stations, aircraft hangers etc. No wonder, in view of demand from diverse sectors, the current market size for PEB solutions is growing at a fast pace.

Pre-Engineered Buildings have many green characteristic including recyclability and durability. It is strategically- designed steel buildings contribute through improved energy efficiency, environment friendly roofing wall panels natural lighting and other building materials composed of steel.

Growth potential for the PEB industry

If PEB industry continues to grow at the current growth rate in India, very soon it will be among the top ten countries in using steel as main building materials in the world. The size of PEB in India is about 33 percent of the Indian construction Industry. Hence, there is huge scope of PEB Player to enhance further by reducing the scope from conventional construction.

The PEB Market in India is experiencing sizable growth fuelled by Infrastructure development Vis-a vis increasing popularity of PEB in the Industrial sector i.e. automotive power, logistics, pharma, FMCG etc. with manufacturing activity increases in the last few years logistics has gained equal importance to provide good at lesser costs.

Pre-Engineered Building made penetration not only in the industrial segment but also in low rise structures- a huge growth potential to be seen in near future.

The key issues and challenges for PEB industry

The foremost challenge in the design of the steel building is optimizing the steel consumption. Industrial building are normally use for steel plants, automobile industries, light utility and process industries etc. these building requires large column free areas hence interior columns, walls and partitions are often eliminated or kept to a minimum. Most of these buildings may require adequate headroom for uses of an overhead traveling crane.

The Government policy also poses a challenge and risk for the PEB Industry. Promoting the industry by reducing the Tax burden would help user growth of steel consumption which is essentially a recyclable metal there by encouraging sustainable practices in the infrastructure development industry. Human resources are the single biggest challenge in the PEB Industry because in this segment skilled and trained manpower availability is scarce. Retaining talent is a concern to organizations with high overheads and poaching by competition huge challenges.

Future outlook of this industry

The PEB is growing at a very fast speed. With this kind of growth, it is expected a further rise in competition. There are many new entrants in these fields with their marketing activities will certainly bring more awareness and this momentum will definitely have a direct impact for the growth of the PEB Potential.

Share Transfer System

Shares sent for transfer in physical form are processed and transfer is completed by our Registrar and Share Transfer Agents within a period of 15 days from the date of receipt provided all the documents are in order. In case of shares in electronic form, the transfers are processed by NSDL/CDSL through respective Depository Participants. Share Transfer Requests under objection are returned within two weeks.

Shareholders can trade in the Company's share only in electronic form. The process for getting the shares dematerialized is as follows:

- ❖ Shareholder submits the share certificates along with Dematerialization request Form (DRF) to Depository Participant (DP).
- ❖ DP processes the DRF and generates a unique Dematerialization Request No.
- ❖ DP forwards DRF and share certificates to Registrar and Share Transfer Agent (RTA).
- ❖ RTA after processing the DRF confirms or rejects the request to Depositories.
- ❖ If confirmed by the RTA, Depositories give credit to shareholder in his account maintained with DP.

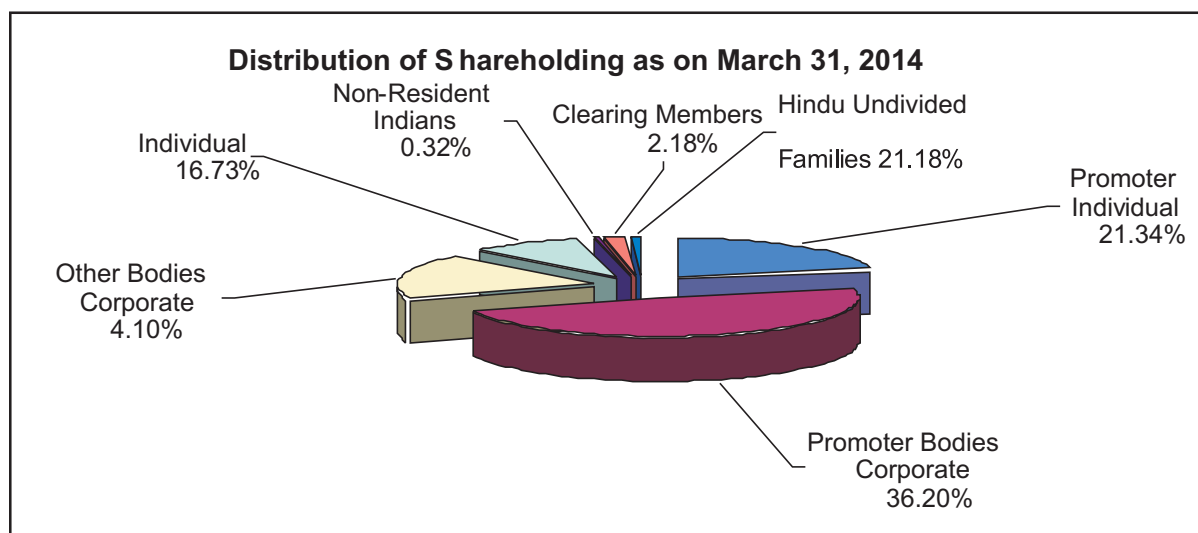

This process takes approximately 10-15 days from the date of receipt of DRF.

As trading in shares of the Company can be done only in electronic form, it is advisable that the shareholders who are holding shares in physical form get their shares dematerialized.

Auditors' Report

**TO THE MEMBERS OF
RICHA INDUSTRIES LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of RICHA INDUSTRIES LIMITED ("the company"), which comprise the Balance Sheet as at 31st March, 2014, the statement of Profit & Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including Accounting Standard referred to in Section 211 (3C) of the Companies Act, 1956 ("the Act") read with the general circular 15/2013 dated 13th September 2013 of the Ministry of Corporate Affairs in respect of Sec. 133 of the Companies Act 2013. This responsibility includes the designs, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2014 ;
- b) In the case of the Statements of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Cash Flow Statements, of the cash flows for the year ended on that date.

Reports on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of Section 227 (4A) of the Act, we give in the Annexure a statement on the matters specified in paragraph 4 & 5 of the Order.

2. As required by Section 227(3) of the Act, we report that:
- a. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books;
 - c. The Balance Sheet, Profit & Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - d. In our opinion, the Balance Sheet, Profit & Loss Account and the Cash Flow Statement dealt with by this report comply with the accounting standards referred in sub section (3C) of Section 211 of the Companies Act 1956 read with the general circular 15/2013 dated 13th September 2013 of the Ministry of Corporate Affairs in respect of Sec.133 of the Companies Act 2013.
 - e. On the basis of written representations received from the directors as on March 31, 2014 and taken on records by the Board of Directors, none of the director is disqualified as on March 31, 2014 from the being appointed as directors in terms of Section 274(1)(g) of the Act;

SIGNIFICANT ACCOUNTING POLICIES**i) Basis of Preparation of Financial Statements**

The Financial Statements are prepared under the historical cost convention on accrual basis and in accordance with the generally accepted accounting principal in India and the provisions of the Companies Act, 1956. Accounting policies have been consistently applied, unless otherwise stated, ongoing concern basis.

The Company follows mercantile system of accounting and recognizes significant items of income and expenditure on accrual basis, unless stated otherwise.

ii) Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

iii) Fixed Assets**Tangible Assets**

Tangible Fixed Assets are stated at cost net of CENVAT/Value Added Tax, any subsidy less accumulated depreciation and impairment loss if any. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the fixed assets are capitalized.

Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance

Assets which are not ready for their intended use are shown as capital work -in - progress.

Intangible Assets

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises purchase price, borrowing cost, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustment arising from exchange rate variations attributable to intangible assets.

iv) Depreciation

Depreciation on fixed assets is provided on the straight - line basis at the rates and in the manner prescribed in Schedule XIV to the Companies Act 1956 over the useful life of the assets.

v) Foreign Currency Transactions

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction
- (b) Monetary items denominated in foreign currencies at the year-end are restated at year end rates. In case of items which are covered by foreign exchange contracts, the transaction is recorded at the rate when the same was incurred. The premium paid on forward contracts is recognized only when the forward contract is matured.
- (c) Non - monetary foreign currency items are carried at cost.
- (d) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the profit or loss account except in cases where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

vi) Investments

Current Investments are carried at the lower of cost or quoted / fair value, computed category wise. Long Term Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary.

vii) Inventories

Inventories are valued at lower of cost or net realizable value after providing for obsolescence, if any. In case of raw materials, packing material, stores and spares, the cost includes duties and taxes (Net of CENVAT/VAT, wherever applicable) and is arrived on FIFO basis. Finished goods & WIP cost includes the cost of raw materials, an appropriate share of fixed and variable overheads on the basis of standard cost method and other costs bringing them to their respective present location and condition. Obsolete, defective and unserviceable stocks are provided for wherever required.

viii) Revenue Recognition/Turnover

- (a) Turnover includes sale of goods, services, adjusted for discounts, net of returns. Sales are recognized when goods are supplied and are recorded freight charges realized from customers but exclude trade discounts and rebates. Export incentive receivable in cash is recognized as income on export being made. Export sales include goods invoiced against confirmed orders /LC.
- (b) Revenue is recognized only when it is reasonable to expect ultimate collection. Interest is recognized on the time proportion basis taking into account amount outstanding and rate applicable. The income & expenditure are accounted for on accrual basis.

ix) Employees' Retirement Benefits

- (a) Short - term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- (b) Post-employment and other long term employee benefits are recognized as an expense in the profit and loss account for the year in which the employee has rendered services. The expenses are recognized at present value of the amounts payable determined using actuarial valuation technique . Actuarial gains and losses in respect of post-employment and other long term benefit are charged to the profit and loss account.

x) Deferred revenue Expenditure

Pre - operative expenditure/Deferred Revenue Expenditure are being amortized over a period of 5 Years

xi) Provision of Current and Deferred Tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Deferred tax resulting from "timing Differences" between taxable and accounting incomes is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a virtual certainty supported with convincing evidence that the asset will be realized in future.

xii) Dues to Micro, Small & Medium enterprises:

The classification of the suppliers under Micro, Small and Medium Enterprises Development Act, 2006 is made on the basis of information made available to the company. No principal amount or interest amount remain unpaid to such Micro and Small enterprises as on 31.03.2014 and no payments were made to such enterprises beyond the "appointed day" during the year. Also the company has not paid any interest in terms of Section 16 of the above mentioned act or otherwise.

xiii) Sales / Transfers

Inter-Unit transfers of finished goods for captive consumption are valued at market price. The value of such inter-unit transfers is included in the materials consumption of consuming units. The year-end stock of such transferred goods is valued at cost.

xiv) Sundry Debtors

Sundry debtors are stated after writing off- bad debts.

xv) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed on the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

xvi) Expenditure during Construction

In respect of new projects, all expenses including interest incurred up to the date of commencement of commercial production are capitalized. In respect of substantial expansion of business at existing location only direct costs are capitalized together with interest on the funds related to them up to the date of commercial production.

xvii) Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit & Loss Account.

xviii) Impairment of Assets

An assets is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss account in the year in which an asset is identified as impaired. The impairment loss recognized in Prior accounting period is reversed if there has been a change in estimate of recoverable amount.

xix) Leases

Leases rentals in respect of finance lease are segregated into cost of assets and interest component by applying the implicit rate of return.

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the Profit and Loss Account on accrual basis.

xx) Government Grants

Any govt grants, subsidy of capital nature is reduced from the cost of respective fixed assets and other grants, subsidies of revenue nature are net off against the respective expenses.
